ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

LL9952

By Appointment.

Kerdasa is a small village about five miles from the Pyramids of Gizeh, close to the Pyramids of Abu Roash, which were erected about 2,200 B.C. The mid-day rest is a great feature of Egyptian, as of all Oriental life. The heat of the sun makes movement and exertion unbearable, and a siesta or rest of varying length, according to the season of the year, is indulged in.
